The initial Subscription Period commences on the Subscription Start Date either referenced in an initial Order Form for enterprise customers or if you self-registered then at the end of the registered free trial and in the case of self-registration will renew for successive one (1) month periods automatically, unless cancelled or terminated as provided herein.

- 4.2. You shall pay all fees specified in all Order Forms or associated with a free trial. Except as otherwise specified herein or in an Order Form, (a) fees are based on Services made available to You and not Your actual usage or results, and (b) Your payment obligations are non-cancelable and fees paid are non-refundable, except as expressly permitted by either this Agreement or an Order Form. Subscription Fees are generally based on monthly periods and Subscription Start Dates started during a monthly period will have a corresponding Subscription Start Date and will be billed monthly at the beginning of each recurring Billing Period on the same date.
- 4.3. If the Order Form specifies that payment will be made by a credit card, You will provide Talkable with valid and updated credit card information, or with a valid purchase order or alternative documentation that is reasonable acceptable to Us. If You provide credit card information to Us, You authorize Us to charge such credit card for all Services listed in the Order Form for the initial Billing Period and any renewal subscription term(s). Such charges shall be made in advance, in accordance with any different billing frequency stated in the applicable Order Form. If the Order Form specifies that payment will be by a method other than a credit card, We will invoice You in advance and otherwise in accordance with the relevant Order Form. - 4.5. The Subscription Fees for each Billing Period will be invoiced by Talkable in advance of the commencement of that Billing Period as specified above and in the corresponding Order Form.
- 4.6. All fees due Talkable pursuant to these Service Terms are quoted and payable in United States dollars. Upon receipt of invoices, You will pay all undisputed fee amounts to Talkable for Services. If the Order Form specifies that payment will be made by electronic funds transfer, all payments will be made via electronic funds transfer by You within thirty (30) days of the receipt of an undisputed invoice. The making of any payment(s) by You, or the receipt of Services by You does not constitute acceptance of the Services. You may withhold payments or portions thereof that You dispute in good faith, and, in such an event, the parties will use their good faith and diligent efforts to promptly resolve disputes.
- 4.7. If You require a purchase order to be issued prior to Your payment of any invoiced fees, You will provide Talkable with the signed purchase order upon

Your execution of these Service Terms and upon Your execution of each subsequent Order Form. You are responsible for paying all Taxes associated with the goods and services made available to You by Talkable, other than taxes assessable against Talkable based on its income, property and employees. If Talkable incurs a legal obligation to pay or collect Taxes for which You are responsible, the appropriate amount will be invoiced to and paid by You, unless You provide Talkable with a valid tax exemption certificate authorized by the appropriate taxing authority.

Each party hereby waives any right to a jury trial in connection with any action or litigation in any way arising out of or related to this Agreement.
- 12.3. For parties residing outside the United States, any dispute arising hereunder shall be submitted to confidential binding arbitration in the County and City of San Francisco, California for the maximum judgment enforceable, except that to the extent either party has in any manner violated or threatened to violate intellectual property rights, the parties may seek injunctive or other appropriate relief regarding such intellectual property rights in any state or federal court in the State of California. Customer hereby consents to venue and jurisdiction in the state and federal courts of California, and waives all defenses of lack of personal jurisdiction and forum non conveniens. Arbitration under this Agreement shall be conducted pursuant to the existing International Arbitration Rules at the American Arbitration Association. The arbitrator's award shall be final and binding and may be entered as a judgment in any court of competent jurisdiction. The parties each agree that any dispute resolution proceedings will be conducted only on an individual basis and not in a class, consolidated or representative action. If for any reason a claim is initiated in court rather than in arbitration, the parties each waive any right to a jury trial for such claim.

- 12.4. If any provision of this Agreement is held by a court of competent jurisdiction to be contrary to law, such provision will be changed and interpreted so as to best accomplish the objectives of the original provision to the fullest extent allowed by law and the remaining provisions of this Agreement will remain in full force and effect.
- 12.5. Failure by a party to enforce any term of this Agreement shall not be deemed a waiver of future enforcement of that or any other term in this Agreement or any other agreement that may be in place between the parties.
- 12.6. Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld). Notwithstanding the foregoing, either party may assign this Agreement in its entirety (including all Order Forms), without the consent of the other party, to its Affiliate or in connection with a merger, acquisition, corporate reorganization or sale of all or substantially all of its assets. A party's sole remedy for any purported assignment by the other party in breach of this paragraph shall be, at the non-assigning party's election, termination of this Agreement upon written notice to the assigning party. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties, and their respective successors and permitted assigns.
- 12.7. The parties are independent contractors. Neither party will be deemed to be an employee, agent, Affiliate or legal representative of the other for any purpose and neither will have any right, power or authority to create any obligation or responsibility on behalf of the other.
- 12.8. This Agreement is not intended to benefit, nor shall it be deemed to give rise to, any rights in any third party.
- 12.9. Neither party will be liable for any failure or delay in its performance under this Agreement due to causes, including, but not limited to, an act of God, act of civil or military authority, fire, epidemic, flood, earthquake, strikes, riot, war, sabotage, terrorism, and governmental action, which are beyond its reasonable control.
- 12.10. The section titles and numbering of this Agreement are displayed for convenience and have no legal effect.
- 12.11. This Agreement may be executed in counterparts, each of which shall be deemed an original, and all such counterparts shall constitute one and the same agreement.
- 12.12. This Agreement, together with any Order Form(s), and Your privacy policies, is the complete and exclusive agreement between the parties with respect to the subject matter hereof, superseding any prior agreements and communications (both written and oral) regarding such subject matter. This Agreement may only be modified, or any rights under it waived, by a written document executed by both parties.

- 12.13. You affirm that you are either 18 years of age or older, or an emancipated minor, or possess legal parental or guardian consent, and are fully able and competent to enter into the terms, conditions, obligations, affirmations, representations, and warranties set forth in this Agreement, and to abide by and comply with these Terms of Service.
